CAPSTONE INFRASTRUCTURE

PUBLIC NOTICE
October 7th, 2026

Proposed Glen Dhu 2 Wind Farm

Capstone Infrastructure, through Glen Dhu 2 Wind Inc., is planning to participate in the Green Choice Program Request for Proposal II (GCP RFP II) with the proposed Glen Dhu 2 Wind Farm (the Project) in Pictou County. The project would be adjacent to the existing Glen Dhu 1 Wind Facility already operating in the area.

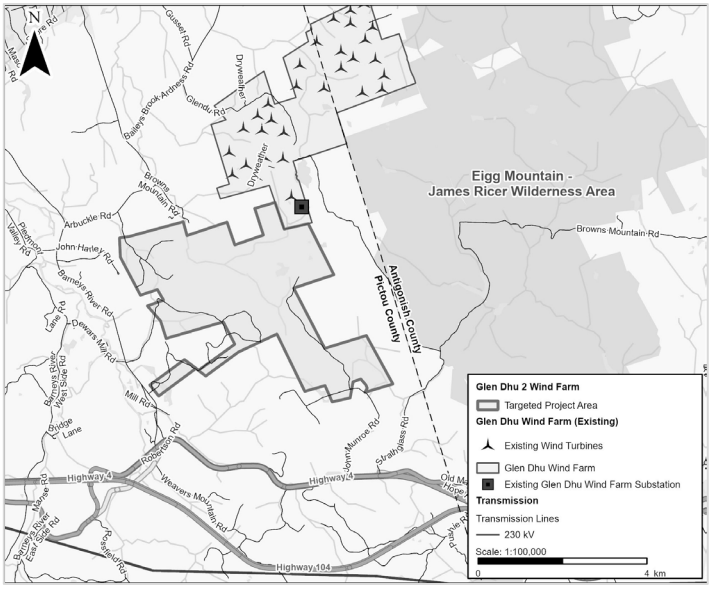

What is GCP RFP II?

- The Province of Nova Scotia has launched GCP RFP II to procure up to 350 MW of annual electricity supply from new wind projects in the province.
- Based on the current RFP schedule, proposals are due on January 14, 2027, and the target date for notification of selected proponents is May 6, 2027.
- More information on the GCP RFP II is located here: https://nova-scotia-gcp.com/

PROJECT OVERVIEW

- The proposed Project would be located in the Pictou County, near Ardness and Bailey's Brook, adjacent to Capstone's operating Glen Dhu Wind Farm.
- The Project would have a generation capacity of up to 100 MW
- Project details are preliminary and will continue to evolve as technical, environmental and community engagement work advances.
- The Project would remain subject to the RFP, studies, permits, approvals and ongoing engagement before it could proceed.
